Program Descriptions

Connecting with Families **(for Children 0-6 years)**

Provides an opportunity for parents, caregivers and children to play, create and meet others from the community. We invite everyone to come to our circle time for a cooperative, sing-a-long, finger play and story time.

Circle times generally start at 10:30 for morning programs and 2:30 during afternoon sessions.

We are unable to accommodate children
7 and older.

Connecting with Babies **(for babies 0-12 months)**

This is a friendly and supportive program for parents/caregivers with babies. Please join us to discuss development and parenting. Participate in interactive rhymes, songs and play activities that promote bonding with your baby.

Structured group time and songs begin at 2:00.

We are unable to accommodate older siblings 13
months and older.

Quiet Play Wednesday **(for Children 0-6 years)**

Once a month we will provide an hour on the first Wednesday for families with children that require more support and find our regular programs too stimulating. If you are unsure whether this program is for you, please give us a call.
