SNAP® for Youth: Focus Group

Child Development Institute (CDI) is looking to host a focus group for youth who identify in the LGBTQIA+ community to talk about topics you find important and would want to discuss in youth programs. We are committed to making the focus group a safe space, free of bullying for everyone.

Your opinion and experience matter when developing a program that is relatable and engaging. We want to ensure you feel comfortable to discuss topics that are important to you. Your identity will remain confidential and will not be linked to any information shared. If preferred, we can also offer a one-to-one virtual focus sessions.

We hope to see you there!

If you are interested, please contact Brianne Alexander at balexander@childdevelop.ca or scan the QR code to complete the registration form.
